

Deposit Checks from your Mobile Phone or Tablet *(only available by using Mobile App)*

After logging in to your Pyramid FCU Mobile App, click on **Menu** and scroll to find **Deposit Checks**.

Select Deposit Checks and then **Enroll**. You must first read and accept the terms for the Mobile Deposit service.

The next time you login and select Deposit Checks, you will be able to select **Make Deposit**.

Checks submitted through mobile deposit **MUST have the following endorsement on the back of the check:**

“FOR MOBILE DEPOSIT” followed by the endorsing signature and Account Number.

Select the “TO” account and enter the check amount. The **default will deposit the check into your Checking Account. If you do not have Checking, the deposit will go to Savings.**

Make sure your camera is enabled for the Mobile App. Click on the Capture Image button and follow the instructions for Front and Back View of the check to be deposited.

The maximum amount per mobile deposit is \$2,000.00. Daily limit for all mobile deposits is \$5,000.00.

To check the status of deposited checks: From the Make Deposit screen, click on “More” in the upper right corner. That will open the Deposit Check History feature. Options include: All, Submitted and Accepted. Click on the check item to open the Deposit Details screen for details and status.

MOBILE DEPOSITS ARE NOT IMMEDIATELY AVAILABLE. It may take several days for the funds to be credited to your account.
