“Healthcare workers are a major affinity group for Pyramid FCU. They are an original sponsoring employee group. Consequently, we are the top supporter of Miracle Challenge in Tucson, which funds Tucson’s Children’s Miracle Network Hospital, Tucson Medical Center’s TMC For Children,” says Ray Lancaster, CEO, Pyramid FCU. “We are glad to play a part in doing this good work in our community.”

While Pyramid FCU members have long supported this cause through various fundraisers, Pyramid FCU teams have raised $40,715 in just the past two years through this program.
All are welcome to join the Pyramid FCU team and participate in Miracle Challenge. To join the Pyramid FCU team, contact Randall Pearson by August 31st at randallp@pyramidfcu.org.

About Pyramid Federal Credit Union
A member-owned co-operative financial institution serving all of Pima County, we exist to benefit the financial lives of our member/owners. We are a not-for-profit organization, so we aren’t working to separate members from their money… rather the co-operative works to help members maximize their own financial outcomes. We are the oldest credit union in Arizona and we trace our roots to postal, telco, healthcare, and newspaper employee groups; strong affinities that we still greatly appreciate!
